Thanks for your quick turnaround, Joe. Scott caught those typos, too. They and a few others are now fixed. I added a sentence re separate state administrative process involving building demolition and removal of spent potliners. I'm just waiting on Victor to get back to me.

Great job on the briefing paper, Mark! I just noted a couple of minor edits that you have probably already corrected and one question on page 3.

Thank you!

Joe

Hello all—

Suzanne Bohan has asked me to coordinate with all of you on a briefing paper for the DRA, Martin and Suzanne in preparation for a meeting Glencore has requested with the DRA and senior Superfund management next Wednesday, February 3<sup>rd</sup>. I promised Suzanne that we would have the paper to her today. Sorry for the tight turnaround.  
Mark
